

## GVR HUNTING AND FISHING CLUB

### ABOUT US

**Our club operates under the auspices of Green Valley Recreation, Inc. and the GVR Foundation, both nonprofit organizations serving the needs of the adult retirement community of Green Valley, Arizona.**

**The best way to learn about us is to review the materials presented in our website ([www.gvrhuntfish.com](http://www.gvrhuntfish.com)), and then attend a meeting or function of the club. Share your stories and listen to others' stories. Express your passion for the outdoors with others of the same mindset. Meet new friends and learn from interesting presentations by those who are leaders in Arizona hunting, fishing and conservation. Help to promote wildlife and conservation with youngsters so they can grow up with similar experiences in the outdoors that you had. Join and support the GVR Hunting and Fishing Club. You will find it a very worthwhile and gratifying experience.**
