

MEETING SCHEDULE

Regular meetings of the membership of the GVR Hunting and Fishing Club are held September through May. The Club does not meet during the summer months. Meetings are typically held at the GVR East Center in the Auditorium. Social time with coffee and donuts is 9:00am. The meeting starts at 9:30. The Club is at the mercy of the GVR scheduling office, so the location is subject to change. The Club endeavors to send an email to all members early in the month informing them of the monthly meeting. You can also check the website at:
