

## MEMBERSHIP

Before joining, any GVR member may attend one Club meeting or event. Before attending a second Club meeting or event, the prospective member must fill out the Membership Application and pay the appropriate dues associated with the level of membership selected. The Club's membership year is from September 1 to August 31. After May 1 of any year, a **NEW** member may join with a single year dues payment which grants a full club membership for the rest of the current club year and the following club year.

Renewals are considered delinquent after October 1. If a member remains delinquent after December 31, their name will be removed from the club roster. Members are encouraged to renew on time as it makes it much easier for the Board to budget and plan for the upcoming year.

### **MEMBERSHIP LEVELS:**

Two membership levels are available. They are:

**Primary Membership Level:** This level allows the member to participate in all club meetings and activities for an annual fee of **\$15.00**.

**Primary and Associate (Family) Level:** This level allows a second individual in the same household to be included in the membership. The second member has all the rights and privileges as included in the primary membership for an annual fee of **\$20.00**.

Please click on the "**Join Now**" tab to download the membership application.

One of the main missions of the club is to support Education and Conservation Programs that benefit fish and wildlife. Please consider donating to the GVR Hunting and Fishing Club CONSERVATION FUND.
